Re:

Application No. 10/694,620

DEVICE AND METHOD TO ASSIST IN PUTTING ON TUBULAR GARMENTS OR COVERINGS, FOR EXAMPLE, SOCKS AND CONDOMS AND GOVES

Greetings:

Please find attached the credit card form
With respect the objections contained in the Office Action Summary.

DRAWINGS

1. I submit the objections to the drawings should be an objection to the text in the disclosure."rolling up" found at page 7 line 16 should have read: "rolling up 3 the roll 4"formed in the tubular element 1

The first sentence of the second paragraph on page 7 of the disclosure read:

Other preferred embodiments incorporate both conventional springy materials, for example, steel, plastic or superlastic material which would be loaded up by rolling-up ((4)) 3 the roll 4 formed in the tubular elements 1; in combination with unconventional springy materials such
